Nexus Commonwealth Communicator of the Year

WINNER: THE COMMONWEALTH SECRETARIAT FOR
YOURCOMMONWEALTH.ORG

PRESENTED BY: Her Excellency Mrs Winnie Kiap
Papua New Guinea High Commissioner to the UK

CITATION: Although the judges recognised that all four nominees in this category were extremely strong, in that they all innovatively communicate the Commonwealth to new audiences, they noted in particular that the winning initiative is extending its reach day by day, with potential for considerable further expansion, and that it understands and successfully engages its target audience, namely young people.
